

# MASTER OF OCCUPATIONAL THERAPY (M.O.T.)

<http://alliedhealth.ouhsc.edu/Prospective-Students/Academic-Programs/Master-of-Occupational-Therapy-MOT-#13895328-message-from-the-program-director> (<http://alliedhealth.ouhsc.edu/Prospective-Students/Academic-Programs/Master-of-Occupational-Therapy-MOT-#13895328-message-from-the-program-director>)

## Message from the Program Director

Thank you for your interest in the Master of Occupational Therapy Program at the University of Oklahoma Health Sciences Center. The University of Oklahoma Health Sciences Center has a rich history of educating occupational therapy students for over 45 years.

The occupational therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) (<http://acoteonline.org/>) of the:

American Occupational Therapy Association (AOTA)  
6116 Executive Boulevard  
Suite 200  
North Bethesda, MD 20852-4929  
(301) 652-AOTA

The Accreditation Council for Occupational Therapy Education awarded the University of Oklahoma Health Sciences Center Occupational Therapy Program accreditation for a period of 10 years 2015/2016 through 2025/2026.

The National Board for Certification in Occupational Therapy, Inc. (NBCOT) is a not-for-profit credentialing agency that provides certification for the occupational therapy profession through the administration of a national certification examination. NBCOT serves the public interest by developing, administering, and continually reviewing a certification process that reflects current standards of competent practice in occupational therapy. The NBCOT also works with state regulatory authorities, providing information on credentials, professional conduct, and regulatory and certification renewal issues.

Program results from the National Board for Certification in Occupational Therapy (NBCOT) can be found on the NBCOT School Performance Page (<http://www.nbcot.org/Educators-Folder/SchoolPerformance/>).

Below are the graduation rates from the Master of Occupational Therapy program during the 3-year period of 2020-2022.

## Graduation Rates

Below are the figures for the three most recent calendar years for which complete data is available (2020, 2021, 2022) for graduates from OUHSC's entry-level master's degree program in occupational therapy. The graduation rate is comprised of students who entered and completed the program within 150% of the length of the program.

Graduation Year	2020	2021	2022	3-Year Total
Number of students who entered the MOT program	32	32	33	97

Number of students who graduated from the MOT program	30	28	29	87
Graduation Rate	93.8%	87.5%	87.8%	89.7%

The University of Oklahoma Health Sciences Center entry-level occupational therapy degree program is in Candidacy Status to transition from a Master of Occupational Therapy degree to a Doctorate of Occupational Therapy degree from ACOTE®. To learn more or to apply to our program, please visit our Doctor of Occupational Therapy Website (O.T.D.) (<http://alliedhealth.ouhsc.edu/Prospective-Students/Academic-Programs/Doctor-of-Occupational-Therapy-OTD/>).

## Cost

In addition to established tuition and fees, students may expect additional costs that include, but are not limited to, a personal computer, textbooks, insurance, and supplies. Students are also required to assume financial responsibilities for expenses associated with clinical requirements. For financial aid information, contact the Financial Aid Office (<http://financialservices.ouhsc.edu/Departments/Student-Financial-Aid/>) at (405) 271-2118. The OUHSC Financial Aid Office services both the OKC and Tulsa campus.

Costs and fees are subject to change.

It is the student's responsibility to ensure they are enrolled in the prescribed courses and to pay tuition and fees at the time designated by the Bursar's Office. Details regarding tuition/fee charges and collection are available from the Bursar's Office.

## Curriculum

Course	Title	Hours
<b>Year 1</b>		
<b>First Summer</b>		
AHS 8415	Clinical Anatomy	5
OCTH 8002	Concepts in Rehabilitation Sciences	2
<b>Hours</b>		<b>7</b>
<b>Fall Semester</b>		
OCTH 7113		3
OCTH 8153	Clinical Process	3
OCTH 7143	Principles of Human Movement	3
OCTH 7162	Evidence Based Practice in Rehabilitation Science	2
OCTH 8274	Orthopedic Concepts and Management of the Upper Extremity	4
<b>Hours</b>		<b>15</b>
<b>Spring Semester</b>		
OCTH 7532		2
OCTH 7192		2
AHS 8274	Neuroscience	4
OCTH 7132	Pediatric Foundations and Therapeutic Methods	2
<b>Hours</b>		<b>10</b>
<b>Year 2</b>		
<b>First Summer</b>		
OCTH 7322		2
OCTH 7312	Context for Occupational Performance	2
OCTH 8393	Movement Science I	3
OCTH 9391	Interprofessional Case Management	1
<b>Hours</b>		<b>8</b>

**Fall Semester**

OCTH 7413	Behavioral Dynamics of Occupational Performance	3
OCTH 7443		3

## Curriculum Notes

To meet the broad healthcare needs of Oklahomans, the University of Oklahoma Occupational Therapy Program offers our program in both Tulsa and Oklahoma City. Students physically attend courses and labs on one of the two campuses. Lectures are broadcast between the two campus which provides the opportunity for students to receive a rich and diverse education from regional experts in the field.
