

WOMEN'S AND GENDER STUDIES (WGS)

WGS 1003. Introduction to Women's and Gender Studies. 3 Credit Hours.

Examines women's issues and movements in the U.S. and globally, focusing on the role of gender in people's lives and on the ways it is used to create privilege for some and oppress others. This course challenges traditional, normative notions about gender and sexuality, which are inextricably entwined. Explores how disability, race, and religion intersect with gender and sexual identity. (F, Sp, Su) [IV-WC].
