

INTRODUCTION TO THE STUDENT HANDBOOK

The OU CON Student Handbook is an important document for all students to read and refer to during their academic career at The University of Oklahoma. The OUHSC CON Student Handbook is published for informational purposes. While every effort is made to present the information accurately, the actual text of the policy, procedure, or law should be consulted as the authoritative source of information.

If you have any questions regarding these policies, contact the Office of Student Affairs at Nursing@ouhsc.edu or call 405-271-2428.
