

# ACCELERATED BSN

The Accelerated Bachelor of Science in Nursing (ABSN) program is tailored for individuals who want to pursue a career in nursing and already have a bachelor's or higher degree in a non-nursing major. The nursing curriculum is 60 credit hours of courses incorporating theoretical and clinical content and designed to be completed in 14 months of concentrated study. Graduates receive a Bachelor of Science in Nursing (BSN) degree and are eligible to apply to take the National Council Licensure Examination (the NCLEX-RN®). Registered nurse license eligibility and requirements vary by state board of nursing. Visit the Oklahoma Board of Nursing here (<https://nursing.ok.gov/>).

## Cost

It is the student's responsibility to ensure they are enrolled in the prescribed courses and to pay tuition and fees at the time designated by the Bursar's Office. Details regarding tuition/fee charges and collection are available from the Bursar's Office.

### Admission Requirements

- **A Bachelor's degree from a regionally accredited institution.**
- **Completion of 61 credit hours of prerequisite coursework**
  - The University of Oklahoma Health Sciences Center (OUHSC) is on a semester credit-hour system. Students transferring coursework from an institution on trimester or quarter-hour systems should contact an advisor to determine how the coursework will transfer. All prerequisite courses must be completed with a grade of "C" or better.
  - At least 30 hours of prerequisites must be completed at the time of application.
- **Cumulative grade point average of a 2.5 on a 4.0 scale**
  - OUHSC considers all coursework regardless of academic forgiveness granted by other institutions.
  - Each attempt of any course taken will be calculated into the GPA.
- **Science grade point average (SGPA) of a 2.5 on a 4.0 scale**
  - At least two of the four laboratory science prerequisites must be completed prior to application.
  - Four laboratory sciences required are: General Chemistry, Microbiology, Human Anatomy and Human Physiology.
  - All science courses are factored into this GPA.

### Accelerated BSN

Below are the required prerequisite courses for the Accelerated BSN program. Prerequisite courses are not required to be completed at time of application, but must be completed **prior** to BSN enrollment if admitted. All prerequisite courses must be completed with a grade of C or better, and applicants must have a minimum of one science prerequisite completed at time of application to calculate science GPA. Minimum last 60 credit hour (letter graded) and science GPAs to be eligible is 2.50.

Code	Title	Hours
<b>Core Area I: Symbolic and Oral Communication (9-12 hours)</b>		
ENGL 1113	Principles Of English Composition	3
ENGL 1213	Principles Of English Composition	3
Language: This requirement can be satisfied by successfully completing two semesters of the same language at the college level. It also may be satisfied by successfully completing two years of the same language in high school or by demonstrating an equivalent level of competence on an assessment test.		
PSY 2003	Understanding Statistics	3
or PSY 2003	Understanding Statistics	
or ECON 2843	Elements Of Statistics	
or PSY 2113	Research Methods I: Statistics	
<b>Core Area II: Natural Science (18-19 hours)</b>		
CHEM 1305	General Chemistry	5
or CHEM 1315	General Chemistry	
MBIO 2815	Introduction To Microbiology	5
or MBIO 3813	Fundamentals Of Microbiology	
& MBIO 3812	and Fundamentals Of Microbiology Laboratory	

BIOL 2255	Human Anatomy	4-5
or BIOL 2234	Introduction To Human Anatomy	
BIOL 2124	Human Physiology	biol 3103 & 3101

**Core Area III: Social Science (12 hours)**

P SC 1113	American Federal Government	3
HIST 1483	United States, 1492 To 1865	3
or HIST 1493	United States, 1865 To The Present	
PSY 1113	Elements Of Psychology	3
PSY 2603	Developmental Psychology	3

**Core Area IV: Arts & Humanities (12 hours)**

Artistic Forms: 1 course, 3 hours

Western Culture: 2 courses, 6 hours (one course must be HIST 1483 or HIST 1493)

World Culture: 1 course, 3 hours

**Core Area V: First Year Experience (3 hours)**

CAS 1523	Gateway to Belonging at OU	3
or CAS 1543	Ethical and Intercultural Leadership	
or CAS 1533	Global Perspectives	
NURS 3003	Interdisciplinary Leadership in Healthcare	3

**Upper Division (minimum of 3 hours)**

In addition to the First Year Experience, at least one course used to satisfy the general education requirements must be at the upper division level (3000-4000) and outside of the student's major coursework.

## Program Objectives

### Student Learning Outcomes

Upon successful completion of the University of Oklahoma College of Nursing Baccalaureate Degree Program the graduate will be prepared to:

1. Provide entry-level safe, competent, ethical care to culturally diverse individuals, families and populations across health care settings and across the lifespan.
2. Function effectively as a member of the Nursing Profession and as a member of an interdisciplinary healthcare team.
3. Practice professional nursing based on current evidence.
4. Assume accountability for evaluation and improvement of nursing practice.
5. Integrate the safe and confidential use of information technology and health care technology into one's practice as a professional nurse.
