

OU MBA/HEALTHCARE ADMINISTRATION CERTIFICATE

About

The MBA Healthcare Administration certificate is a collaboration between the Price College of Business and OU's College of Public Health. Both colleges recognize the importance of strategically combining business and healthcare education as we proceed further into the 21st century. Courses will be taught by Masters of Healthcare (MHA) faculty.

Topics covered include:

- Theories and principles of healthcare administration
- Present and historical practices
- Healthcare Operations
- Financing Healthcare
- Government's role in effecting healthcare
- Gaining and giving value to and from patients
- The effects of technology on health

It is the student's responsibility to ensure they are enrolled in the prescribed courses and to pay tuition and fees at the time designated by the Bursar's Office. Details regarding tuition/fee charges and collection are available from the Bursar's Office.
